

SOLUTIONS START WITH SAM

www.sungan.net

Since 1960, SAM name has been synonymous with Reliability, Innovation and Quality.

SAM North America LLC **SAM Europe Srl** **SAM Asia & China**

- Polymer Process and Solutions
- Screw and Extruder Design
- Engineering
- Customer Training and Support
- Project Management

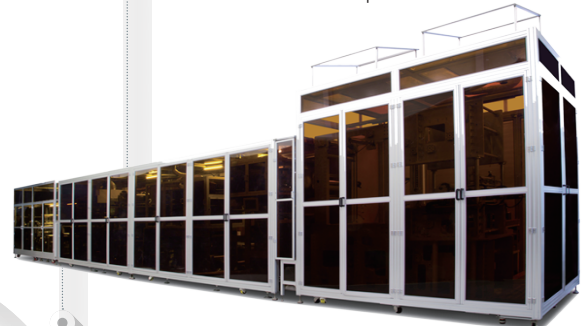

SAM (Sung An Machinery Co., Ltd.)

- Location: South Korea
- Sales reference: Over 33 countries, more than 630 machines

SAM R&D Center

- SAM Solution Coating Lab
- SAM Extrusion Coating Lab
- SAM Printed Electronics Lab
- Available for extrusion or liquid coating trials for Product Development and R&D

N.C.T. (New Control Technology Co., Ltd)

- Control System Integrator
- Motor Drive Systems & HMI Provider

Converting Machinery for Paper, Film & Foil

- Solution Coating and Laminating Machinery
- Pilot Coating Machine
- Extrusion Coating & Laminating Machines
- Gravure Printing Machines

Components

- Unwinds and Rewinds
- Flotation / Roll Support Dryers
- Extruders / Screws
- Printing (Flexo / Gravure)
- Vacuum Rolls
- Remoisturizers

Service

- Process Optimization
- Operator and Maintenance Training
- Inspection and Audits
- Retro fits, Upgrades and Rebuilds
- Spare Parts
- Trials on Pilot Lines for Solution and Extrusion Coating
